

## **NEUROPSYCHIATRIC HOSPITALS ANNOUNCE THE DEVELOPMENT OF MEDICAL BEHAVIORAL HOSPITAL OF INDIANAPOLIS**

**SOUTH BEND, IN – December 5, 2019** –NeuroPsychiatric Hospitals, LLC (“NPH”) is pleased to announce the development of Medical Behavioral Hospital of Indianapolis. The 64-bed facility, located in Greenwood, Indiana will serve patients with complex medical and neuropsychiatric conditions in the greater Indianapolis area. The hospital is currently being developed by Medistar Corporation, NPH’s healthcare real estate partner, and will be leased by an affiliate of NPH on a long-term basis.

“I am excited to announce that we are opening our second hospital in the Indianapolis market as the company seeks to expand nationally. This facility will be NPH’s first ground-up hospital development using its unique prototype design. The design features of the 42,000 square foot hospital emphasize world-class patient care and operational efficiencies and will serve as a model for other facility development projects throughout the country,” said NPH’s Founder, Chairman and Chief Executive Officer, Cameron Gilbert, PhD.

Located at 795 North Emerson Avenue, Greenwood, Indiana 46143, the hospital will commence construction in the mid-2020 and is scheduled to open in mid-2021.

Added Dr. Kashif Janjua, NPH’s Chief of Medical Staff, “Focusing on patient needs and our company’s clinical and operational strengths have been driving factors in our expansion. We have been successful in providing differentiated care to an underserved patient population.”

Dr. Gilbert also stated, “We expect to announce additional, new hospitals in the near future as we seek to expand throughout the U.S. to provide state-of-the-art patient care for individuals suffering from complex medical and behavioral conditions.”
